PROFESSIONAL EXPERIENCE

Tipton Law Group, LLC – Avilla, IN

August 2023 - Present

Operations Coordinator

- Coordinate and oversee, while reporting to the Managing Attorney, day-to-day administrative functions including office workflows, personnel management, and business strategy.
- Investigate, create, and implement measures to streamline intake, case reporting, and team communication.
- Maintain relationships with the firm's municipal/government clients by curating communication and ensuring the firm's performance goals are met.
- Oversee and administer Tipton Law's IT infrastructure in conjunction with the firm's managed technology provider. This infrastructure includes Office365, RingCentral, MyCase, and other tools.

Bowmax LLC – Northeast Indiana

September 2024 – Present

Owner/Operator

- Participate in every element of small business management to curate a consulting firm supporting local political campaigns with grassroots-focused operations and high-level coordination.
- Serve as primary point of contact for clients to manage timelines, deliverables, and external vendors.
- Develop and maintain campaign systems that support fundraising, voter outreach, and internal organization.
- Craft and share effective, targeted political messaging and “get out the vote” campaigns.

Jim Banks for United States Senate – Indiana

August 2023 – July 2024

Field Staff

- Staffed fundraising events.
- Attended events across Northeast Indiana representing the campaign.
- Assisted the campaign during the ballot signature process, personally netting hundreds of signatures.

Wendy Davis for Congress – Indiana's Third Congressional District

August 2023 – May 2024

Intern

- Assisted the campaign with event attendance and presence.
- Arranged events including fundraisers and roundtables.
- Engaged voters with the campaign through phone-banking.

Office of Congressman Jim Banks – Fort Wayne, IN

May 2023 - August 2023

Intern

- Answered phones to take constituent comments or transfer them to the proper team member.
 - Organized and batched constituent concerns to ensure the constituent received an appropriate response.
 - Completed other tasks assigned by team members include drafting constituent letters and data organization.
-

SKILLS
